IN THE PALACE OF THE DRAGON OF THE EAST

Inspired by the classic novel *Journey to the West*, this LEGO® Monkie Kid™ set explores the origins of the timeless legend and how the Monkey King got his staff from the Dragon of the East.

THE ARMOURY

The Dragon King of the East guards an armoury of the most powerful weapons in the realm. The Monkey King seeks him out to ask permission to use one of the weapons.

THE STAFF

After passing on several weapons – in his opinion, they are too light – the Monkey King selects the most supreme weapon of them all: the pillar of the ocean – the staff.

THE FABLE OF THE WISE MAN

The Monkey King and the Dragon King meet to discuss the ancient fable of a wise old man who gave his books of wisdom to a humble young man and mentored him to become a great leader.

TRADITIONAL, REGAL – AND FUN!

'To recreate the legendary palace in LEGO® form, we fused traditional Chinese design with a playful underwater setting. To show the sheer scale of the palace, which towers above the mountains in the background, we created a forced perspective to transition the model from a minifigure-scale below to a smaller-scale, full palace above. From the posable dragon and fun new sea creature characters to hidden scrolls, decorations and the Chinese chessboard – every detail and function is inspired by storylines in the legend, with the key element of the story, the staff, as the main focal point.'

LEGO® Monkie Kid™ Senior Designer

FROM CONCEPT TO MODEL

'A pivotal moment in *Journey to the West* is when the Monkey King gets his staff from the Dragon of the East. We hadn't seen the dragon's magnificent underwater palace in its entirety before, so our design teams in Denmark and Shanghai worked closely together to develop an imaginative and playful model that stays true to the original legend and adds our distinct LEGO® twist to the story. Now Monkie Kid gets to open it up and discover all its secrets!'

Xiaodong Wen,
LEGO® Monkie Kid™ Senior Designer

DIVE INTO THE STORY

'From curvy lines in the palace paintings and cracks in the rocks to dark blue outlines, shiny bubbles and swirly, vibrant plants – we played with every element and graphic detail to complete the illusion of a rich and immersive underwater environment. We wanted to include as many references as possible to the story, so every room in the palace has fun design elements and hidden Easter eggs for an avid Monkey King fan like Monkie Kid to discover.'
